Website Design Information:	
Your Contact Information:	
Domain Name:	
General Color Scheme you would like to see incorporated:	
Do you have a logo, or do you need a logo created?	
Would you like any Flash Animation involved in the design of your site? (Ex. See http://www.13below.com there is a 'flash piece' on our home page.)	
What are the main header links on your website? (Ex. Home, About Us, Services, etc.) *This is especially important as it affects the overall look and feel of your site.	
Any example websites you have seen on the internet you would like your website modeled after? We suggest you go to http://www.coolhomepages.com and look at some very well designed websites. - Please include what you did like (and didn't like) on your examples sites so our designers have a better idea	
Do you need any custom programming involved outside of website design? If so, please explain:	

We include free layouts until you are satisfied with the design template, based on your answers above. Please be as accurate as possible.

What is included in the web design quote?

We will provide 1 Homepage and 1 Inner Page layout in HTML with all images, rollovers, optional flash, etc in place. We will initially send you JPG images of the layout until you are satisfied, then we will proceed with cutting up images and place them within an HTML template.

We will provide all Photoshop, Flash, HTML template, CSS, Javascript source files.

What is NOT included in the web design quote?

If you would like anything additional such as putting your content into the design shell, creation of all other pages, any functionality such as a Contact Form, Shopping Cart, Payment Processing, etc this will be billed hourly at 13 Below's hourly rates.

If you would like us to place your content into additional web pages, please provide any content you would like us to place on your website in WORD format.

Web Hosting
13 Below can also provide web hosting. Standard web hosting begins at $25/month.
